## 1. Purpose

This document provides information on the eligibility for employees and retired staff who hold (in addition to the normal validity), TfL Staff / Retired Staff Passes endorsed '**Also available on former Country Bus Services routes**'. These passes, which were issued to staff who were employed by the former London Transport prior to 1 January 1970, are accepted for free travel on any journey on any bus service detailed in this document, subject to any restrictions noted.

## 2. Scope

The services detailed below are operated by bus companies who can directly trace their origins back to the former country area of London Transport. In some cases, companies have extended the validity to other bus services that they operate. However, employees and retired staff are respectfully asked not to attempt to use their pass on any service in the former London Buses country area that is not detailed in this document.

Members of staff and retired staff who also hold National Concessionary Scheme Passes / Freedom Passes are asked to use these in preference to Staff / Retired staff passes on the services detailed in this notice whenever possible.

Whilst every effort is made to keep the list of services up to date, frequent service changes means that it not always possible to do so. Please refer any questions to TfL Staff Travel.

## 3. Recent Changes

Arriva routes 395, 477, 489, 721, 908 and x5 no longer run. They are either replaced by changes to other Arriva services or now operated by bus companies on which TfL staff passes are not valid.

First Beeline have also replaced routes 12 and 13 by changes to route 6 and the introduction of new route 7x.
